ABOUT DENISE AND ACCESS DESIGN STUDIO

For more than 20 years, Denise has been an entrepreneur who supports her hospitality-business clients in the realm of accessibility compliance and web design. She's advocated for people with disabilities all her life, starting with her own Special Olympian brother.

Access Design Studio helps hospitality businesses reach the disabled market which represents 25% of all web traffic and has a \$7 trillion spending power.

Hospitality businesses turn to Access Design Studio to grow bookings and gain protection against predatory litigation.

WHO WE WORK WITH

Access Design Studio serves hospitality businesses that create a luxurious guest experience including wineries, yacht clubs, wedding venues, event planners, tour operators, RV resorts, theaters, museums, golf courses, country clubs, B&Bs, glamping resorts, and more; sharing their passion for delivering incomparable guest experiences, to everyone, of every ability, at every touch-point.
